Altitude	1500-1700 m
Type	Arabica
Variety	Red Bourbon
Processing	Natural
Fermentation	30 days
Volume	240 kg

IZUBA is characterised by its harmonic fruitiness and convinces us both as a filter coffee and as a modern espresso. We source the green coffee from Raw Material. For us, this company is a shining example of fair business, as it does not pursue profit motives, but passes on the profits in full to the coffee farmers, thus enabling a wage level of 33% above the national average salary in Burundi.
