Country	Vietnam
Region	Bao Loc
Farm	Future Coffee Farm
Farmer	Toi Nguyen
Altitude	800-1000 m
Type	Canephora
Variety	Robusta Se
Processing	Winey Natural
Fermentation	70 h
Volume	300 kg

Together with Toi Nguyen, we give this Robusta the respect that usually only the best Arabicas in the world receive, from the cultivation of the coffee plants to the harvesting, processing and development of the roasting profile. The result is an exceptionally fine coffee with a familiar flavour profile. This espresso unfolds its full potential in a fully automatic machine, in a stove-top cooker and in a portafilter.
